

York Planning Board Meeting Minutes

Meeting Date: September 15, 2009

Present: Dave Russo, Mark Vitale, Frank Rose Sr., Davies Nagel, Rob Susz

Chairman Russo called the meeting to order at 7:05 p.m.

Vitale subdivision

- Two plus original – all have houses on them (minor subdivision)
- Mark has to fill out short SEQR
- Planning Board needs to fill out negative declaration
- Mark will bring everything back to next meeting including preliminary plats

Reviewed Bank of Castile – reviewed new maps –looks ok.

Dollar General – Board wondered why the lights weren't dark sky compliant, they blind drivers on road and light up the neighbors house. Will have Carl Peter look into it.

Overpass on Rt. 63 – Frank Rose concerned that there will be a major accident there from trucks backing into the intersection. The overpass does not have the actual height listed and drivers don't think they can make it under. It lists height of 12'10" when it's actually 14 foot. The Planning Board would like a letter to go to both the Town Board and the Livingston County Traffic Safety Board requesting a corrected sign.

Discussion regarding Farmland Preservation. Consensus of the board that until the farmers want it, the board will wait on it.

Meeting adjourned at 8:15 p.m.

Respectfully submitted,
Donna K. Falkner
