

## TOWN OF YORK CONSOLIDATED WATER CUSTOMERS

The York Town Board at their May 10<sup>th</sup>, 2022 regular meeting approved a \$.13 water rate increase for Consolidated Water customers. The rate increase will take effect for the July 2022 billing cycle.

The increase is necessitated due to the fact that the Village of Geneseo has increased their rate to the Town and for the increasing cost of operation and maintenance of our system.

The new rates will be as follows:
